(Through the President)

Sir,

Subject - Purchase of a weighing machine to the Octroi Office
=O=

The weighing machine of the Octroi Office was purchased many years ago and it has become completely unservicable As a result, much inconvenience is being felt in the Octroi Office for the daily routine Hence a proposal was placed before the Municipal Council at their meeting held on 7-5-56 to purchase a new one They were of opinion that instead of purchasing an unstandard and cheaper varities it was advantages to purchase a standard good machinery to avoid inconveniences in the middle in later years

Accordingly they have resolved to accept the offer of M/s-Avery

Necessary action is being taken to effect the purchase through Store Purchase Committee

I enclose a copy of the resolution & request that orders of Government may kindly be obtained sanctioning the purchase of a weighing machine at a cost about R 2130/- for the Octroi Office

The cost will be metout under"D-4 Tools and Plants"of the current year's budget

Yours faithfully,

Municipal Commissioner

Forwarded with compliments,

President
